Dear Friend,

The Oregon Health Care Foundation (OHCF) is committed to supporting each of you and the seniors you care about. Since 2001 OHCF has been awarding educational scholarships and providing Senior Wish Program training and funding support. Perhaps we have awarded you or someone you know a scholarship, or maybe we have made a wish possible for a senior in your community.

Each year the OHCF Board of Directors along with many volunteers provides senior wish training and support. The Senior Wish Program makes dreams come true for a number of seniors in Oregon. Whether it's flying an airplane one more time or getting to ride a horse again, the senior wish program makes dreams possible.

OHCF also awards multiple scholarships each year ranging from \$500 to as high as \$15,000. These scholarships help further the education of those who work in the long term care profession. Many scholarship recipients come from challenging backgrounds and childhoods. Their stories are inspiring. We are in awe of their accomplishments and commitment to their future. We know you fully understand the dedication it takes for an individual to juggle the time commitments and demands of going to work, attending classes, studying, and caring for their family. We want to continue to support the success of these individuals by helping them with the cost of going to school.

OHCF needs your financial contribution to continue to support the senior wish program and those who want to continue their education. Funding for OHCF's programs comes from you. The current recession has resulted in a severe reduction in donations, and during the past year donations have been especially low. The OHCF Board of Directors is contemplating reducing and perhaps stopping the scholarship program and funding for senior wishes if donations do not improve.

Now more than ever OHCF needs your help. Your generous donation of \$50, \$100 or more is needed. Since OHCF is a 501c3 organization your contribution is tax deductible. It is easy for you to give; simply complete the form below and mail your donation to OHCF.

Thank you for your generous donation!
